## T O D A Y

Dear Citizens,

It's another new year and there are a lot of great things on the horizon. First, please join us for the Town

Hall meeting on January 20. It's a great way to learn about upcoming projects and programs and a great place to ask questions or give suggestions. I am looking forward to seeing everyone in person, so that we can talk about topics that are important to you and discuss our city's plans for 2022.

Of course, January is also a great time for resolutions. If fitness is a resolution of yours, here is an excellent opportunity to start the New Year off on the right foot. The EuleSS Family Life Center is offering a free Open House on Saturday, January 29. This gives you a chance to try out classes, find instructors that you like, check out the indoor pool and take a complete tour of the facility. I hope you'll mark your calendar to join us for these exciting January events.

## COMMUNITY NEWS

# CodeRED™

### *Get Emergency Notifications from CodeRed*

The City of EuleSS has replaced Nixle with the more robust CodeRED system, a high-speed emergency notification service.

You can get emergency alerts in real time by signing up with the CodeRED Emergency Notification System. It sends alerts for weather warnings, traffic delays, missing persons, criminal activities, mosquito control and local events. You choose how you want to receive the notifications: by text, email, voice, web, social media or the CodeRed Mobile App.

There are three ways to sign-up for CodeRED:

- Go to [www.eulesstx.gov/CodeRed](http://www.eulesstx.gov/CodeRed) and click the "Sign Up" button at the bottom of the page
- Install the CodeRed Mobile App on your cell phone
- Text the word "EULESS" to 99411 from your mobile phone

You will recognize the CodeRED call when your caller ID displays the following numbers:

866-419-5000 Emergency Notifications

855-969-4636 General Notifications

800-566-9780 CodeRED Weather Warning Alerts

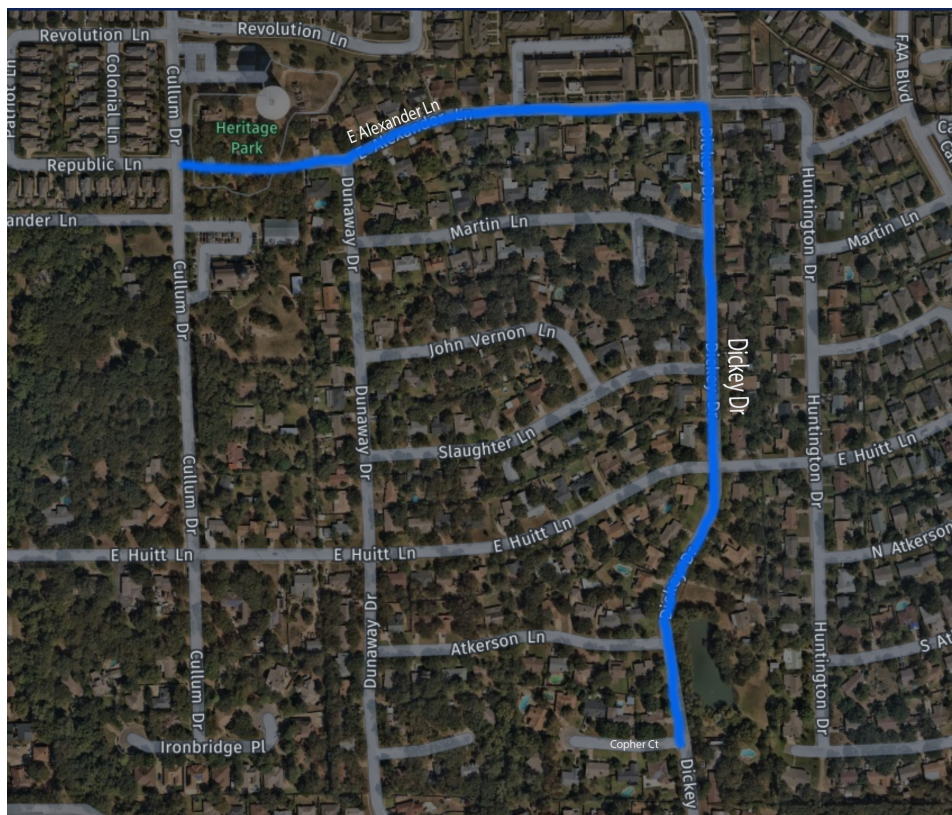

Please be sure to add these telephone numbers into your cell phone's contacts, when applicable. Important Note: When answering a CodeRed call, you must say something such as "Hello," for the call to play.

For more information, contact CodeRed at 1-866-939-0911 or visit [www.eulesstx.gov/CodeRed](http://www.eulesstx.gov/CodeRed).

## *Water Line Replacements on Alexander and Dickey*

Replacing aging water lines now is necessary to help avoid leaking pipes or water main breaks in the future. The FY 2020-21 Capital Improvements Program (CIP) Budget includes line items for water line replacements in these areas:

- East Alexander Lane from Cullum Dr. to Dickey Dr.
- Dickey Drive from East Alexander Ln. to Copher Ct.

Both locations have 60-year-old water lines and were chosen based on prior maintenance history. The City Council awarded the project to A & B Construction, LLC. The project is scheduled to take place from December through March 2022. Once completed, this project will reduce maintenance and improve water service to those neighborhoods.

Every effort is made to minimize the impact to homeowners during construction, however, some temporary inconveniences may occur as work takes place. Residents will be notified in advance before the work begins. These improvements will utilize a process called Pipe Bursting. This method installs a new pipe inside of the existing water main underground. The old pipe is broken up and the new pipe fills in the existing space. This process requires minimal digging which reduces construction time and disruption to residents. Even though this eliminates the need for open trench work, some digging will be required to tie into the owner's service line.

The Water Line Replacement Program is part of the Capital Improvements Program (CIP) budget. The CIP is a comprehensive look at identified needs throughout the City. It is reviewed and updated each year to help the Euless City Council prioritize immediate needs as well as long-term projects. There are five basic project types within the CIP: drainage, streets, wastewater, water and other. This plan is a working blueprint for preserving and improving Euless' infrastructure while ensuring efficient use of public dollars.

## ***Wanted: Teen Court Volunteers***

The H.E.B. Teen Court is looking for adult and teen volunteers. Volunteering for Teen Court is a great way to serve your community. The minimum age for teen volunteers is 13. Teens and adults work together to provide defendants the opportunity to take responsibility for their actions, while learning about the justice system. Teen volunteers learn public speaking skills, interviewing techniques and administrative skills. Local attorneys and the Teen Court Coordinator combine their time and talents to provide all teen volunteers with thorough training.

Teen Court is a peer program that allows juvenile first offenders with Class C misdemeanors an alternative in the criminal justice system. Teen volunteers serve as the attorneys, bailiffs and clerks, while adult volunteers assist during court sessions as jury monitors and judges. You are welcome to visit any Teen Court session to observe and find out more about our program. If interested, call the Teen Court office at 817-952-2468.
